Men's League Information

NOTE: League fees do not include golf cart fees. League players can purchase a seasonal trail fee or cart lease or pay a 9-hole cart seat weekly for \$12 per rider.

- League is open to all LPN pass holders 16 years of age and older. Pass holders age 16-17 must be on a team with a parent/guardian or approved adult.
- Every member of Men's League must have an established USGA handicap at a cost of \$35 + tax per person. If you did not pay this fee with your 2024 season pass purchase, include \$37.45 with your men's league dues. The USGA handicap allows membership into the Iowa Golf Association, plus helps the IGA run tournaments and grow the game of golf in Iowa.
- Handicaps are updated weekly by the Iowa Golf Association. If one has not been established, the pro shop staff will give the player a starting handicap, which will be adjusted weekly until enough scores are entered in the handicap system to create a working handicap.
- League standings will be posted weekly in Spikes and on the LPN/Golf Genius website.

The men's league kickoff will be May 1. We encourage members or potential members to attend this free event. Cocktails and munchies begin at 5:30 p.m. with a brief program and raffle drawing scheduled at 6 p.m.

Mail or drop off this completed form and check (payable to "LPN") before April 24:
