Women's League Information

NOTE: League fees do not include golf cart fees. League players can purchase a seasonal trail fee or cart lease or pay a 9-hole cart seat weekly for \$12 per rider.

- Every member of Women's League, including substitutes, must have an established USGA handicap at a cost of \$35 + tax per person per year. The USGA handicap allows membership into the Iowa Golf Association, plus helps the IGA run tournaments and grow the game of golf in Iowa. If you did not pay this fee with your membership, include it with your league dues.
- Handicaps are updated weekly by the Iowa Golf Association & LPN pro shop. If one has not been established, the pro shop staff will give the player a starting handicap, which will be adjusted weekly until enough scores are entered in the Handicap System to create a working handicap.
- League standings will be posted every Thursday in Spikes and on the LPN/Golf Genius Website.

The women's league kickoff will be Thursday, May 2. We encourage members or potential members to attend. Fun Golf will begin at 5:00 p.m. with drinks and dinner starting at 6:30 p.m. with a brief program and raffle drawing following dinner.

Mail or drop off this completed form and a \$105 check (payable to "LPN") before April 25.
